***Open Registration:**

In consideration of your time and to allow for a smoother process, we will have two days of Open Registration for the 2010-2011 school year. Registration will be held on February 16-17, 2009, starting at 10:00 am.

Registration for three year olds is on February 16, at 10:00 am. If you are enrolling a three and four/five year old sibling, you may register both at the same time. Registration for four and five year olds is on February 17th at 10 am. To aid in registration, a lottery system is used.

Everyone is given a number, which is placed in a container. Numbers are drawn and when your number is called, it will be your turn to register. We have found that this system prevents you from having to stand in line for hours. To help with the congestion in the parking lot, we ask that you arrive no earlier than 9:45 am. Thank you for your consideration in this matter. We will continue enrolling new students after "Open Registration" until all spaces are filled. At that time, we begin our wait list.
